24 HOUR COMICS DAY

Highlights

On April 23rd, 2004, writing and drawing of this 496 page book of comics had not even begun.

By April 25th, the entire book was finished.

See what came of this major multinational marathon of comics creation!

24 HOUR COMICS DAY

The challenge: to try to write and draw a full 24 page comics story in 24 straight hours. On April 24th, 2004, hundreds of cartoonists around the world took this challenge. This book shows what 24 of them achieved.
